

Small Group Questions: Tim Cooper Sermon – Mark 2:18-27

1. Do you agree that as humans we are prone to rule-breaking or rule-keeping?
2. Why is each one a danger to faithfully walking with Jesus?
3. How do you think we should find a way between those dangers on either side?
4. Do you practise any of the spiritual disciplines like fasting or sabbath? If you do, what is the value of those practices for you? If you don't, how have you thought about them?
5. What do the two stories in Mark 2 reveal about walking with Jesus?
6. How will you seek to live out the intent of those stories? How will you keep your focus on Jesus, not practices, not markers of piety?
